Lullaby for Alexandre

Smile into life, up, down
Open you eyes, open you ears
Crawling so soon, walk, run
Dancing so free in the sun

Alexandre sleep through the moonlit night dreaming
With all the stars above
My sweet babe
Sleep through the calm of the night, dove
Wake up the brand new day

Laughing with friends, mum, dad
Open your hands, open your mind
Sharing ideas, sing, song
Close to my heart you belong

Alexandre sleep through the moonlit night dreaming
With all the stars above
My sweet babe
Sleep through the calm of the night, dove
Wake up the brand new day

Da da da da
Pa, pa
Da da da da da da da da
Da da da da
Ma, ma
Close to my heart you belong

Alexandre sleep through the moonlit night dreaming
With all the stars above
My sweet babe
Sleep through the calm of the night, dove
Wake up the brand new day

And Incy Wincy Spider climbed up the spout again.
